# ATA - HISTORY IS ON OUR SIDE

50 YEARS OF FORENSIC SERVICES AND PROJECT EXPERIENCE AT YOUR FINGER TIPS...

Over the last 50 years, in the course of working on hundreds of marine cases, ATA has developed tested methods and effective strategies towards executing investigations and constructing stories to present our clients' cases. We have also built strong and lasting relationships with some of the nation's top experts and consultants in the interest of supplying our clients with enhanced services, ATA has been bringing these talented and experienced individuals together to establish a team approach to our investigations.

## ...AND SO IS THE FUTURE

ATA staff members and our associates have access to the latest in software and media technologies, giving them the ability to perform investigations in the most effective fashion. In utilizing these tools, our team supplies you with a high quality product, while trimming costs and maximizing efficiency.
