ATA'S SPECIALTY INVESTIGATION TEAMS

EXPANDING OUR BASE OF EXPERTISE / ACCESSING RESOURCES NATIONWIDE

Over the last 50 years, in the course of working on over 7000 cases, ATA has developed strong and lasting relationships with some of the nation's top experts and consultants across a variety of forensic and investigative disciplines.

Recently, in the interest of supplying our clients with enhanced services, ATA has been bringing these talented and experienced individuals together to establish a team approach and expand the scope of our investigations.

TRANSPORTATION | PRODUCTS LIABILITY | MARINE & MARITIME | PETROCHEMICAL
BUILDING CONSTRUCTION | AEROSPACE & AVIATION | RAILWAY | DIGITAL FORENSICS

To find out more about how our team strategies can take investigations to the next level and increase the scope of litigation support that we can make available to your firm, contact ATA today!
